**APPLICATION OF TRUSTEE'S ATTORNEYS FOR THE
ALLOWANCE OF FINAL COMPENSATION AND REIMBURSEMENT OF EXPENSES**

Much Shelist, P.C. ("Much Shelist"), attorneys for David R. Herzog, not individually but solely as the Chapter 7 Trustee herein (the "Trustee"), moves this Court, pursuant to Section 330 of the Bankruptcy Code and Bankruptcy Rule 2016, for the allowance of final compensation and reimbursement of expenses for services rendered during the period May 20, 2009 through November 12, 2012. In support of this Application, Much Shelist respectfully states as follows:

1. On May 6, 2009, Actuarial Holdings, LLC (the "Debtor") filed a voluntary petition for relief under Chapter 7 of the Bankruptcy Code.
2. The Trustee was subsequently appointed, qualified and continues to serve as Trustee in this case.
3. On June 17, 2009, the Court entered an Order authorizing the Trustee to employ Much Shelist as his attorneys in this case.
4. Other than as permitted under Section 504 of the Bankruptcy Code, Much Shelist has no agreement with any person or firm whatsoever with regard to its compensation in this case. To date, Much Shelist has not received any compensation for services rendered or reimbursement of out-of-pocket expenses incurred in this matter.

5. Much Shelist is entitled to receive final compensation in the amount of \$25,205.00 plus reimbursement of out-of-pocket expenses in the amount of \$159.64 for services rendered during the period May 20, 2009 through November 12, 2012.

7. Much Shelist provided 51.10 hours of services on behalf of the Trustee during the time period covered by this application.

8. The following is a summary of time expended, by individual, during the time period covered by this application:

*During the time period covered by this application, the hourly rates of some of the individuals who provided services changed. The hourly rate reflected is an average rate.

9. The services rendered are listed chronologically and are separated by activity. Certain time entries could have been listed under a different activity, but there is no duplication of time entries. The services were rendered in connection with and in furtherance of assisting the Trustee in the performance of his duties as delineated by §704 of the Bankruptcy Code. This application complies with the standards enunciated in *In re Continental Securities Litigation*, 572 F. Supp. 931 (N.D. Ill. 1983) modified 692 F.2d 766 (7th Cir. 1992).

10. At all times relevant hereto, Much Shelist provided legal services in the most efficient and cost effective manner. Much Shelist's goal was to obtain a positive resolution of the matter at hand, while in the process minimizing the costs to the estate.

11. As more fully detailed in the chronological statement of services attached as Exhibit "A", Much Shelist's attorneys have provided services to the Trustee with respect to the following matters:

A. **General Administration (Tab 1)**: Much Shelist expended 13.30 hours providing general administrative services to the Trustee. The Debtor's assets consisted primarily of intellectual property ("IP"), office equipment and computer software. It appeared to the Trustee that the IP assets had the potential to generate significant proceeds to the estate. The IP assets consisted primarily of software to run a trading platform to trade a new type of stock derivative, a computer system and method of mutual and insurance risks, and a computer system and method for trading certain financial instruments. Much Shelist engaged in telephonic and written communications and meetings with the Trustee and the Debtor's former principal in an effort to obtain more information about the IP assets and potential value. Much Shelist also engaged in telephonic and written communications with prospective buyers with respect to their interest in purchasing the IP. Much Shelist also engaged in telephonic and written communications with the Debtor's former attorneys to obtain information and documentation as to the Debtor's ownership of patents and copyrights and related assets.

Counsel also engaged in telephonic and written communication with Debtor's former principal with respect to its tax returns and tax forms provided to members of the Debtor's Limited Liability Company. Counsel also appeared in Court to attend status hearings which were held on a periodic basis.

The individuals who provided services with respect to this matter and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	9.10 hrs.	\$562.31/hr.*	\$5,117.00

Adam Sacharoff	3.00 hrs.	\$380.00/hr.	1,140.00
Jeffrey L. Gansberg	1.2 hrs.	\$394.10/hr.*	473.00
TOTAL:	13.30 hrs.		\$6,730.00

*During the time period covered by this application, the hourly rates of some of the individuals who provided services changed. The hourly rate reflected is an average rate.

B. Retention of Professionals (Tab 2): Much Shelist expended 8.60 hours of time in connection with the preparation of pleadings and Court appearances with respect to the Trustee's Motion to Employ Attorneys and to employ Chicago Liquidators to sell the Debtor's office equipment and furniture. Much Shelist was also involved in the negotiation of the liquidation sale agreement with Chicago Liquidators.

The individuals who provided services in connection with the Trustee's employment of professionals and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	3.70 hrs.	\$555.00/hr.	\$2,053.50
Martin J. Wasserman	4.90 hrs.	\$290.00/hr.	1,421.00
TOTAL:	8.60 hrs.		\$3,474.50

*During the time period covered by this application, the hourly rates of some of the individuals who provided services changed. The hourly rate reflected is an average rate.

C. Disposition of Assets (Tab No. 3): Much Shelist expended 28.50 hours assisting the Trustee with his efforts to liquidate the debtor's assets. The majority of the services rendered relate to sale of Debtor's IP assets. Much Shelist engaged in telephonic communications with a representative of Chicago Liquidators to discuss the outcome of the sale of Debtor's office furniture and computers. Much Shelist also engaged in a significant number of telephone conferences, written communications and meetings with the Trustee and the Debtor's principal and those individuals who expressed an interest in purchasing the Debtor's IP assets. Much Shelist also reviewed a significant number of documents to obtain information about the nature

of IP assets available for sale and provided documents and information to prospective purchasers.

Unfortunately, despite expressions of interest to purchase the Debtor's IP assets received from approximately ten individuals, the Trustee was unable to find a buyer. At the time the Trustee was considering making a motion to abandon the IP assets, the Trustee received an offer in the amount of \$1,500.00 from the Debtor's former attorney to purchase the remaining estate assets. Thereafter, Much Shelist prepared appropriate pleadings and appeared in Court on a motion to approve the sale of the Debtor's remaining assets. In response to the motion, the Trustee received a competing bid from another buyer. The Trustee eventually sold the remaining assets of this estate to the competing buyer for the sum of \$2,500.00.

The Much Shelist attorneys who provided services in connection with the Trustee's disposition of the Debtor's assets and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	19.00 hrs.	\$572.00/hr.	\$10,868.00
Jeffrey L. Gansberg	6.80 hrs.	\$396.76/hr.*	2,698.00
Colleen E. McManus	.30 hrs.	\$400.00/hr.	120.00
Adam K. Sacharoff	2.40 hrs.	\$374.16/hr*	898.00
TOTAL:	28.50 hrs.		\$14,584.00

D. Fee Matters (Tab No. 4): Much Shelist expended .70 hours in connection with the preparation of this fee final application. A summary of Mr. Newman's time is as follows:

Attorney	Hours	Rate	Total
Norman B. Newman	.70 hrs.	\$595.00/hr.	\$416.50
TOTAL	.70 hrs.		\$416.50

12. During the time period covered by this Application, Much Shelist incurred out-of-pocket expenses in the amount of \$159.64. Attached hereto as Exhibit "B" is an itemization of

Much Shelist's out-of-pocket expenses. Much Shelist asserts that these out-of-pocket expenses were reasonable in its representation of the Trustee.

13. The services rendered by Much Shelist as the Trustee's attorney have resulted in a benefit to the Trustee and to the creditors of this estate. By reason of the foregoing, Much Shelist states that it is entitled to a final award of compensation and reimbursement of out-of-pocket expenses for services rendered to the Trustee in this matter. Much Shelist understands that the Trustee is not holding sufficient funds in this estate to pay the full amount requested by Much Shelist. Much Shelist is willing to accept a pro rata share of the funds the Trustee is holding.

WHEREFORE, Much Shelist, P.C. respectfully requests that this Court enter an Order as follows:

1. Granting this Application and awarding Much Shelist final compensation in the amount of \$25,205.00 plus reimbursement of out-of-pocket expenses in the amount of \$159.64 for services rendered during the period May 20, 2009 through November 12, 2012;
2. Authorizing the Trustee to pay Much Shelist the amount awarded forthwith as a Chapter 7 expense of administration of this estate; and
3. Granting such other and further relief as this Court deems just and appropriate.

Much Shelist, P.C.

**APPLICATION OF TRUSTEE'S ATTORNEYS FOR THE
ALLOWANCE OF FINAL COMPENSATION AND REIMBURSEMENT OF EXPENSES**

Much Shelist, P.C. ("Much Shelist"), attorneys for David R. Herzog, not individually but solely as the Chapter 7 Trustee herein (the "Trustee"), moves this Court, pursuant to Section 330 of the Bankruptcy Code and Bankruptcy Rule 2016, for the allowance of final compensation and reimbursement of expenses for services rendered during the period May 20, 2009 through November 12, 2012. In support of this Application, Much Shelist respectfully states as follows:

1. On May 6, 2009, Actuarial Holdings, LLC (the "Debtor") filed a voluntary petition for relief under Chapter 7 of the Bankruptcy Code.
2. The Trustee was subsequently appointed, qualified and continues to serve as Trustee in this case.
3. On June 17, 2009, the Court entered an Order authorizing the Trustee to employ Much Shelist as his attorneys in this case.
4. Other than as permitted under Section 504 of the Bankruptcy Code, Much Shelist has no agreement with any person or firm whatsoever with regard to its compensation in this case. To date, Much Shelist has not received any compensation for services rendered or reimbursement of out-of-pocket expenses incurred in this matter.

5. Much Shelist is entitled to receive final compensation in the amount of \$25,205.00 plus reimbursement of out-of-pocket expenses in the amount of \$159.64 for services rendered during the period May 20, 2009 through November 12, 2012.

7. Much Shelist provided 51.10 hours of services on behalf of the Trustee during the time period covered by this application.

9. The services rendered are listed chronologically and are separated by activity. Certain time entries could have been listed under a different activity, but there is no duplication of time entries. The services were rendered in connection with and in furtherance of assisting the Trustee in the performance of his duties as delineated by §704 of the Bankruptcy Code. This application complies with the standards enunciated in *In re Continental Securities Litigation*, 572 F. Supp. 931 (N.D. Ill. 1983) modified 692 F.2d 766 (7th Cir. 1992).

10. At all times relevant hereto, Much Shelist provided legal services in the most efficient and cost effective manner. Much Shelist's goal was to obtain a positive resolution of the matter at hand, while in the process minimizing the costs to the estate.

11. As more fully detailed in the chronological statement of services attached as Exhibit "A", Much Shelist's attorneys have provided services to the Trustee with respect to the following matters:

A. **General Administration (Tab 1)**: Much Shelist expended 13.30 hours providing general administrative services to the Trustee. The Debtor's assets consisted primarily of intellectual property ("IP"), office equipment and computer software. It appeared to the Trustee that the IP assets had the potential to generate significant proceeds to the estate. The IP assets consisted primarily of software to run a trading platform to trade a new type of stock derivative, a computer system and method of mutual and insurance risks, and a computer system and method for trading certain financial instruments. Much Shelist engaged in telephonic and written communications and meetings with the Trustee and the Debtor's former principal in an effort to obtain more information about the IP assets and potential value. Much Shelist also engaged in telephonic and written communications with prospective buyers with respect to their interest in purchasing the IP. Much Shelist also engaged in telephonic and written communications with the Debtor's former attorneys to obtain information and documentation as to the Debtor's ownership of patents and copyrights and related assets.

Counsel also engaged in telephonic and written communication with Debtor's former principal with respect to its tax returns and tax forms provided to members of the Debtor's Limited Liability Company. Counsel also appeared in Court to attend status hearings which were held on a periodic basis.

The individuals who provided services with respect to this matter and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	9.10 hrs.	\$562.31/hr.*	\$5,117.00

Adam Sacharoff	3.00 hrs.	\$380.00/hr.	1,140.00
Jeffrey L. Gansberg	1.2 hrs.	\$394.10/hr.*	473.00
TOTAL:	13.30 hrs.		\$6,730.00

*During the time period covered by this application, the hourly rates of some of the individuals who provided services changed. The hourly rate reflected is an average rate.

B. Retention of Professionals (Tab 2): Much Shelist expended 8.60 hours of time in connection with the preparation of pleadings and Court appearances with respect to the Trustee's Motion to Employ Attorneys and to employ Chicago Liquidators to sell the Debtor's office equipment and furniture. Much Shelist was also involved in the negotiation of the liquidation sale agreement with Chicago Liquidators.

The individuals who provided services in connection with the Trustee's employment of professionals and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	3.70 hrs.	\$555.00/hr.	\$2,053.50
Martin J. Wasserman	4.90 hrs.	\$290.00/hr.	1,421.00
TOTAL:	8.60 hrs.		\$3,474.50

*During the time period covered by this application, the hourly rates of some of the individuals who provided services changed. The hourly rate reflected is an average rate.

C. Disposition of Assets (Tab No. 3): Much Shelist expended 28.50 hours assisting the Trustee with his efforts to liquidate the debtor's assets. The majority of the services rendered relate to sale of Debtor's IP assets. Much Shelist engaged in telephonic communications with a representative of Chicago Liquidators to discuss the outcome of the sale of Debtor's office furniture and computers. Much Shelist also engaged in a significant number of telephone conferences, written communications and meetings with the Trustee and the Debtor's principal and those individuals who expressed an interest in purchasing the Debtor's IP assets. Much Shelist also reviewed a significant number of documents to obtain information about the nature

of IP assets available for sale and provided documents and information to prospective purchasers.

Unfortunately, despite expressions of interest to purchase the Debtor's IP assets received from approximately ten individuals, the Trustee was unable to find a buyer. At the time the Trustee was considering making a motion to abandon the IP assets, the Trustee received an offer in the amount of \$1,500.00 from the Debtor's former attorney to purchase the remaining estate assets. Thereafter, Much Shelist prepared appropriate pleadings and appeared in Court on a motion to approve the sale of the Debtor's remaining assets. In response to the motion, the Trustee received a competing bid from another buyer. The Trustee eventually sold the remaining assets of this estate to the competing buyer for the sum of \$2,500.00.

The Much Shelist attorneys who provided services in connection with the Trustee's disposition of the Debtor's assets and the time expended by them are as follows:

Attorney	Hours Expended	Hourly Rate	Amount
Norman B. Newman	19.00 hrs.	\$572.00/hr.	\$10,868.00
Jeffrey L. Gansberg	6.80 hrs.	\$396.76/hr.*	2,698.00
Colleen E. McManus	.30 hrs.	\$400.00/hr.	120.00
Adam K. Sacharoff	2.40 hrs.	\$374.16/hr*	898.00
TOTAL:	28.50 hrs.		\$14,584.00

D. Fee Matters (Tab No. 4): Much Shelist expended .70 hours in connection with the preparation of this fee final application. A summary of Mr. Newman's time is as follows:

Attorney	Hours	Rate	Total
Norman B. Newman	.70 hrs.	\$595.00/hr.	\$416.50
TOTAL	.70 hrs.		\$416.50

12. During the time period covered by this Application, Much Shelist incurred out-of-pocket expenses in the amount of \$159.64. Attached hereto as Exhibit "B" is an itemization of

Much Shelist's out-of-pocket expenses. Much Shelist asserts that these out-of-pocket expenses were reasonable in its representation of the Trustee.

13. The services rendered by Much Shelist as the Trustee's attorney have resulted in a benefit to the Trustee and to the creditors of this estate. By reason of the foregoing, Much Shelist states that it is entitled to a final award of compensation and reimbursement of out-of-pocket expenses for services rendered to the Trustee in this matter. Much Shelist understands that the Trustee is not holding sufficient funds in this estate to pay the full amount requested by Much Shelist. Much Shelist is willing to accept a pro rata share of the funds the Trustee is holding.

WHEREFORE, Much Shelist, P.C. respectfully requests that this Court enter an Order as follows:

1. Granting this Application and awarding Much Shelist final compensation in the amount of \$25,205.00 plus reimbursement of out-of-pocket expenses in the amount of \$159.64 for services rendered during the period May 20, 2009 through November 12, 2012;
2. Authorizing the Trustee to pay Much Shelist the amount awarded forthwith as a Chapter 7 expense of administration of this estate; and
3. Granting such other and further relief as this Court deems just and appropriate.

Much Shelist, P.C.
